To Whom It May Concern:

In response to the FCC's Notice of Proposed Rule Making review of rules governing school and libraries order FCC-02-08, Docket/RM# 02-06, Section E - Unused Funds, #3 – Treatment of Unused Funds, it is my feeling that unused funds should be redistributed to the schools and libraries programs. By returning funding dollars it may be possible to reach lower funding levels, particularly in the internal connections category, and benefit more student/community projects as was the original intent of this program.

Sincerely,

Roland E. Deneault  
Director Facilities & Grounds
